AZ CORP COMMISSION
DOCKET CONTROL

IN THE MATTER OF THE FORMAL
COMPLAINT FILED BY RON BAILLY

DOCKET NO. W-01445A-11-0178

REQUEST FOR ADDITIONAL TIME TO RESPOND

On April 27, 2011 Ron Bailly filed a Formal Complaint against Arizona Water Company (the "Company") in the above-referenced docket. The Company is now requesting that the Arizona Corporation Commission enter an order extending the May 18, 2011 deadline for the Company to respond to the above-captioned Formal Complaint for the reason that the Company and the Complainant have reached a settlement of the complaint; however, the Company and the Complainant will be unable to complete all of the necessary requirements to memorialize the settlement before the Company's response is due.

Company representatives have discussed the settlement in several telephone conversations with Ron Bailly. Mr. Bailly has informed the Company that he does not object to the Company's request for additional time and to evidence such, has authorized the Company to add his name to this request and sign it on his behalf.

For the reason described above, the Company is requesting an extension of thirty (30) days to file its response.
